Ostrum Asset Management extends its structured and loan credit management activities to the US and appoints Brian T. Yorke as US Head Structured and Loan Credit Management

Ostrum Asset Management (“Ostrum AM”), a Paris based affiliate of Natixis Investment Managers with €265.6 / \$298.02 billion assets under management¹, is extending its credit activities in the US, with the appointment of Brian T. Yorke, who will join the firm on June 12th, 2019 as US Head of Structured and Loan Credit Management. These new activities will occur through Ostrum Asset Management U.S., LLC, (“Ostrum AM US”), headquartered in New York.

Ostrum AM is extending its structured credit platform to the US in response to demand from institutional investors seeking to diversify into alternative solutions. This initiative is part of Ostrum AM’s broader strategy to develop its international footprint in credit markets. Ostrum AM believes there are real fundamental value opportunities in the US loan markets that can be realized for its clients. In Europe, Ostrum AM has a long track record in corporate debt securitization with more than 15 years of experience in the asset class. The extension of Ostrum AM’s structured and loan credit management activities to the US, coupled with its experience and infrastructure will provide a diversified product selection for investors.

Brian T. Yorke will join the firm as US Head of Structured and Loan Credit Management. His scope will include CLO issuance, managed accounts, fund platforms and related credit solutions for institutional clients. Mr. Yorke will report to Ibrahima Kobar, Deputy CEO and Global CIO of Ostrum AM.

Matthieu Duncan, CEO of Ostrum AM, comments: “We are thrilled that a very seasoned investment professional such as Brian will be joining us as we look to extend our structured and loan credit management capabilities into the US. Brian’s arrival will enhance our existing strengths in credit and structuring skills.”

Ibrahima Kobar adds: “The breadth of Brian’s over 20 years’ experience in the credit markets, coupled with his knowledge in building asset management platforms and managing CLOs, raises the level of expertise and talent within our team.”

“Ostrum AM’s reputation in credit research, analysis and management convinced me to join the firm. I am looking forward to contributing to the firm’s strategy to extend its credit platforms and products internationally and offer performing alternative solutions to our institutional clients”, says Brian T. Yorke.
